

NATE'S COMMUNITY GARAGE

Nate's Community Garage developed in 2020 as a 501c3 out of Nate's Garage. Nate's Garage is a full- service automotive repair facility including mechanical, body work, detailing and mini storage. Nate's Garage has 2 locations in Cannon Falls. One bay in each shop is designated to NCG participants. NCG is ONLY the second of its kind in

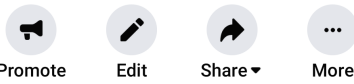

Minnesota. We have helped nearly 30 people, families and Veterans with financial assistance to afford safety related auto repairs. Each participant is eligible for up to \$500 a year in financial assistance which they can use at one time or as needed. NCG asks that the participant pays 25% of the repair bill and we cover the balance.
