Du Quoin Street Machine Photo Contest to Award Set of Continental Tires

DUQUOIN, Ill. (June 10, 2022) — The Street Machine Nationals is looking for the best photos that demonstrate what the Street Machine hobby is all about. Cruising, car shows, dyno pulls, smoky burnouts or BBQs, all are eligible for the Street Machine Photo Contest.

Along with bragging rights among fellow gearheads and/or car clubs, entrants will be eligible to win a set of Continental Tires.

While photos of cars are great, images with people/personality are even better for the Street Machine Photo Contest.

All photos must be submitted by June 17 to be eligible for voting. The Street Machine Photo Contest is open to legal residents of the United States who are 18 or older (see contest rules for eligibility requirements).

Enter online at: www.streetmachinenationals.net/photo-contest.

The Continental Tire Street Machine Nationals in Du Quion, IL, are set for June 24-26.
