**66th Annual
GSTA ROD & CUSTOM
SPECTACULAR CAR SHOW**
presented by Brainerd International Raceway

St. Paul, Minn. – The 2024 Minnesota *car show season* kicks off the weekend of April 6 and 7, 2024 at the Minnesota State Fair Warner Coliseum.

More than 100 of the finest Hot Rods, Customs, Street Machines, and Motorcycles, all in attendance by invitation only, will be on display at the **66th Annual GSTA Rod & Custom Spectacular Car Show presented by Brainerd International Raceway.**

With more than 50,000 square feet of brilliantly illuminated space, the Minnesota State Fair Coliseum is a great place to show off these incredible vehicles without the possible impact of Minnesota's unpredictable weather. Car owners have the chance to win for a number of judged categories including Best by Year/Generation, Best Make/Model, Kid's Choice Award, and more, adding up to more than \$7,500 in prize money and awards.

There's plenty of fun for kids as well as they have a chance to sit inside a real race car, get a free Hot Wheels car from Sgt Hot Wheels, and take part in the *Model Car Spectacular* where kids and adults can enter their uniquely built model car or truck.
