

# CANCER CRUISE OF SIBLEY COUNTY

**SATURDAY, JUNE 1, 2024**

## Benefiting Kim Schwich

**Held at the Arlington Event Center, 204 Shamrock Dr., Arlington MN**

Kim Schwich was diagnosed with Leiomyosarcoma (LMS) with metastasis in her abdomen in 2022, which later spread to both lungs in 2023. LMS is a rare form of cancer that affects approximately six individuals per 1 million in the United States each year. Doctors are attempting to slow down the growth of Kim's cancer with chemo treatments. Kim has dedicated her entire life and career to serving others. She has worked for the Salvation Army for over 20 years, where she responded to various natural disasters, more notably, recovery efforts in Louisiana after Hurricane Katrina and in New York at Ground Zero after the 9/11 attacks. She is a member of St. Paul's Lutheran Church in Green Isle and a very active member of the Green Isle Lions Club. Due to her diagnosis, Kim can only work very limited hours each week. All funds raised will be used to pay for Kim's medical expenses.

The Cancer Cruise of Sibley County, MN is organized by Community Giving Hope, a local 501(c)(3) non-profit organization. Our mission is to assist local community members who are dealing with a cancer diagnosis. Our goal is to GIVE HOPE to those in our community who need it the most. We pride ourselves on keeping locally raised funds LOCAL. We do not keep any administrative type of funds--100% of the proceeds raised goes to our recipients.
