

ANNOUNCING THE RETURN OF THE 10,000 LAKES CONCOURS D'ELEGANCE

Historic & Extraordinary Collection of Automobiles to Adorn the Infield at Canterbury Park

Sunday, September 15 – Benefitting the patients and families at Gillette Children's

Shakopee, Minn. – In French, a “concours d'elegance” means “competition of elegance.”

Minnesota's own *10,000 Lakes Concours d'Elegance* was held on the shores of Lake Minnetonka from 2013 through 2019, thanks to the owners of hundreds of historically significant and extraordinary automobiles, as well as a slew of volunteers, the event was a can't-miss experience.

Following a few years of detours, we are thrilled to announce the return of the *10,000 Lakes Concours d'Elegance* on Sunday, September 15, 2024, from 10 a.m. until 4 p.m. on the expansive, grassy infield of Canterbury Park (1100 Canterbury Road, Shakopee, Minnesota).

Mark your calendars for a chance to spend a leisurely afternoon wandering the infield, meeting the owners of more than 125 examples of automobiles from across automotive history, and discover the intriguing stories behind the museum-quality vehicles. Also on display will be a collection of historically significant tractors and farm equipment and motorcycles..

Guests will also enjoy live music, dine on delicious foods, and sip fine wines, beers, and spirits, while exploring the collection.

The proceeds will benefit the patients and families at Gillette Children's, a pediatric specialty care provider focused on diagnosing and treating complex brain, bone, and movement conditions in children.

Tickets are \$25 per person, children 16 and under, as well as active or retired military members, will receive free admission.

About Canterbury Park

Canterbury Park Holding Corporation (Nasdaq: CPHC) owns and operates Canterbury Park Racetrack and Casino in Shakopee, Minnesota, the only thoroughbred and quarter horse racing facility in the state. Canterbury offers live racing from May 18 to September 28, 2024. The casino hosts card games 24 hours a day, seven days a week, dealing both poker and table games. The company also conducts year-round wagering on simulcast horse racing and hosts a variety of other entertainment and special events at its Shakopee facility. Development of approximately 140 acres of underutilized land surrounding the racetrack continues in a project known as Canterbury Commons™.
