

Car show participants should enter at the zoo's 4th street drive-thru entrance (circled in red above) located on the east side of the zoo. Once inside the zoo, vehicle registration is at the gazebo on the west green (circled in white). Look for directional signs if unsure about the location or ask the attendant at the drive-thru entrance. No drive-thru admission will be charged to Jungle Run entries on that day.

Zoo hours are 8 am - 7 pm. Gates do not open before 8 am.
